News Release

05/28/2014

Sheriff Lavender would like to announce that he has created a Face Book Page for his office (RossCounty SheriffsOffice).

The Sheriff has wanted to get the page created for some time but has always had more pressing issues to deal with. The Sheriff decided that another tool in helping with the death investigation of Tameka Lynch would be to give the community that he serves another way of passing on information to his office.

The Sheriff encourages the public to visit his page, and send a message with any information about the death of Mrs. Lynch.

The Sheriff also wants to make the public aware that he wants to use the page as another line of communication with them. He invites the community to notify him of any concerns or tips of any criminal activity in Ross County.

The page will be reviewed and monitored daily by a member of the Sheriff's Command Staff.
