News Release

09/11/2014

Sheriff Lavender reports that two times over the past weekend Deputies from his Patrol Division discovered Drugs and or Drug Abuse Instruments after responding to calls for service.

The first incident occurred on 09/06/2014 when deputies were dispatched to 2097 Western Avenue in reference to a female unresponsive in a vehicle. Deputies arrived and found the female passed out with a syringe between her legs. Deputies also discovered a small plastic bag with residue that is presumed to be Heroin.

The items were collected as evidence. The female was transported to Adena Regional Medical Center by Scioto Township Squad. Charges are pending Lab Results.

The second incident occurred on 09/07/2014 when deputies were called to investigate a suspicious vehicle on the lot of the Marathon on Pleasant Valley Road.

Deputies arrived and found the vehicle occupied by two females and one male. Deputies conducted interviews of the occupants of the vehicle and the investigation discovered that the occupants were on the lot shooting Heroin.

Deputies seized syringes and suspected Heroin as evidence. All three occupants were transported to the Ross County Jail on various charges. Additional charges are pending lab results.

The investigations are a part of Sheriff Lavenders S.T.O.P.P. imitative (Stop Trafficking or Pay the Price).
