Sheriff Lavender reports that his office partnered today with the Ohio Department of Rehabilitation and Corrections, the Adult Parole Authority, and the Alvis House to conduct a sweep for contraband at the Terry Collins Re-Entry Center located at 16643 St. Rt. 104.

Sheriff Lavender provided his two K-9's and handlers and an investigator. The search was conducted by the Ohio Department of Rehabilitations and Corrections S.T.A.R. Team.

During the search suspected Suboxone and Prescription Medication was discovered. These items were seized and will be sent to the laboratory for testing.

As a result of the search 9 males and 1 female were taken into custody by the Adult Parole Authority.

Today's sweep was part of several planned at different facilities in the community to make use of the Sheriff's Office newest facilities K-9 Jaylene, and the veteran K-9 Big Mac. Both of which were made possible to Sheriff's Office because of generous donations by Community Partners.
