

Over the past week I was able to put safeguards in place at the Law Enforcement Complex to reinstate my Concealed Handgun Carry Licensing Program along with; F.B.I., B.C.I., and local background checks.

These services are once again being offered by **appointment only**. These appointments can be scheduled by contacting Deputy Vickie Hall at **740-773-1186**. These services will be conducted on the second floor lobby. Persons should enter the law complex entrance from Paint Street and take the elevator to the second floor. Deputy Hall will be able to schedule your appointment and give you instructions.

Yours in Service
